

Offline/Online Learning for Students Support Unit

Tuesday, 24 March 2020

Dear Parents and Carers,

During these uncertain times, we would like to provide some routine and consistency for our students. Lansvale East Public School is operational for teaching and learning from home for our students. You can choose to complete these activities in either two ways:

- 1. Offline - complete the units of work provided (hands-on resources)**
- 2. Online - using Class Dojo, Reading Eggs and Soundwaves Logins to complete set tasks**

Each classroom teacher has attached their own weekly timetable for you to follow along with. You can use this as a visual reminder for students to track teaching and learning tasks.

Class Dojo will be the primary communication platform for class teachers to assign and distribute learning activities each day. Please make sure you are linked up with your child/ren's class account.

We appreciate your assistance in supporting your child/ren's learning.
