

Our School Therapy Dogs

Sade and Lenny are our school's therapy dogs.

This is Sade.

This is Lenny.

Sade has light brown, fluffy hair and loves to play fetch.

Lenny has dark brown hair and he enjoys listening to stories being read to him.

Lenny loves cuddles.

You might see Lenny and Sade on the playground and they will even come for a visit in your classroom.

They walk with a lead
around the school
grounds.

If you're feeling sad or upset, Lenny or Sade might cheer you up.

Always ask first if you would like to pat the dogs.

Make a fist and let the dog smell your hand before you pat them.

Lenny and Sade are excited to be a part of our school.
