Principal's Report: *Ms Ortega Kardasis*

Thank you to all our staff, students, parents, carers and community members for making 2019 a success. We would like to wish all our families a safe and happy holiday.

2020 Staffing

In 2020 Mrs Jeanette Grinham will be joining the staff as the Relieving Assistant Principal in Community Engagement.

I am passionate about teaching and ensuring every child and family achieves their personal best. I genuinely care about the welfare of students, families and staff.

I am excited to be part of the Lansvale East Public School community and look forward to working with you. For fun, I enjoy reading, gardening, spending time with family, travelling and diving.

Mrs Grinham

Mr Steven Diep has been successful through merit selection on gaining the permanent classroom teacher position at Lansvale East public School (pending the 10-day appeal period). Congratulations Mr Diep. Thank you to all panel members for their contributions.

CHRISTMAS PICNIC

Have a safe and happy holiday season to all our families at Lansvale East Public School.

From all the LEPS staff of 2019.
