## From the Principal's Desk

Dear Parents and Carers,

We are so happy to have all our students back at school. It is wonderful to see them excited and engaging in all the learning and fun. Especially seeing their smiles and hearing the laughter in the school playground and in the classrooms.

## Canteen Update

We are still waiting to hear about applications of the tender process for the canteen. In the meantime we are offering school lunch packages on Monday, Wednesday and Friday. At recess on these days students can purchase a zipper dooper from the canteen. This has been a huge success this week and will continue until the end of the year.

## COVID Updates

All students are expected to be at school unless they are unwell. **Do not send your child to school if they are unwell, even with mild symptoms.** Get tested for COVID-19 and follow NSW Health directions.

If students have any COVID-19 symptoms they will be sent home and must not return to school unless you have either:

- ◆ isolated for 10 days, when no medical certificate is available
- ◆ a negative COVID-19 test result and are symptom free. In circumstances where a student has other medical reasons for recurrent symptoms, a letter from your GP is sufficient to negate the requirement for a negative test.
- ◆ Self-isolation periods and testing requirements differ for close contacts based on their exposure and vaccination status. If you are identified as a close contact, an authorised contact tracer from NSW Health or from the department's Health and Safety Directorate will contact you and let you what you need to do. For more information, refer to the [NSW Health fact sheet on close contacts External link](#).

## Communication

Please remember that parents and carers are not to approach children that are not their own to talk to them about an incident in school. If you have questions please call the office and speak to our friendly staff for assistance. Let's keep everyone safe.

# Back to school with K-N

K-N have settled so well into school routines after 3 months of home learning.

For English, we have been exploring lots of different sight words to help us with our writing.

For Maths, K-N have been learning a lot about money and what to buy with amounts of money.

We also celebrated 100 days of school on Tuesday! We reached 100 days during home learning but we wanted to celebrate it together as a class!

# 1-3 A and 4-Z's Terrific Learning

1-3A and 4-Z are excited to be back in the classroom. Students in 1-3A have settled into the expectation of the classroom setting and have enjoyed engaging in morning circle. Students are continuing to explore the use of nouns and adjectives to support their writing.

Students have explored the noun 'dog' as we settle into the classroom routine. Students have learnt that dogs come in different sizes and colours and also make noises.

Students have engaged in fun artistic lessons designing their own dogs and also exploring the textures of different sensory items. Last week we explored the sensory item of shaving foam.

Students in 1-3A and 4-Z have actively participated in preparing for our school's Halloween celebrations making ghosts and pumpkins.

1-3A and 4-Z have participated in counting, identifying and regrouping numbers 1 -12 using hands-on items and outdoor learning opportunities.

Now as we continue to learn in the classroom we are learning about the importance of Key Word Sign to say 'please' and 'thank you'. It's been great developing these skills.
