Sending reports home	Monday 13 December
Presentation Day	Tuesday 14 December
Fun Day	Wednesday 15 December
Last day of school	Thursday 16 December

From the Principal's Desk

Dear Parents and Carers,

The end of term is fast approaching and we begin to prepare for the end of year celebrations. Students will have a formal presentation for their certificates and they will be showcasing their dance routines learnt through the CAPA program. To continue with the COVID safe plans parents and carers will not be permitted to participate. However, we have organised for a photographer to take photos on the day that will be made available to you with a code. More information on this organisation will come out next week. We appreciate everyone's understanding.

Please continue to speak with your children about safe and respectful behaviours at school and at home.

2022

Families not returning to Lansvale East Public School or returning to school after the return date (Tuesday 1 February 2022) to please make contact with the office on 9728 1278 to let us know. If you would like to speak to someone about this please call the front office. Year 6 families do not need to let us know.

STAY HOME IF YOU ARE SICK

All adults on site will be healthy and ready to work and we expect the same for our children and their families. If they are unwell at school, you or your nominated emergency contact will need to collect them immediately. Please make sure your contact details are up to date. Check out the link below.

Aboriginal Education

All staff participated in Aboriginal and Torres Strait Islander professional learning this week. We are proud to have participated to further support us in developing inclusive programs for our students. We respect and acknowledge Aboriginal people as the traditional owners of the land on which we work, live and visit. Lansvale East Public School stands on Cabrogal Land of the Darug Nation.

ENROLMENTS

Please go to the school website for online enrolments. If you have any questions please call the front office on 9728 1278.

We are still working with the department of education on the before and after school facility and the canteen to support our families. As soon as we have news we will let everyone know.

TERM 4 - 2021

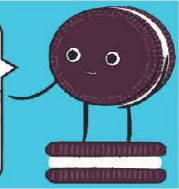

2-D NEWS

OUR FINAL TERM IN YEAR 2

What a term it has been...

We have had a very busy term since returning on site. In English, students have been learning about persuasive writing. They have been using their science topic to help persuade their peers to keep our school environment clean. We are really enjoying our OREO structure too!

- O - State your **opinion** clearly.
- R - Back up your opinion with a **reason**.
- E - Give an **example** or fact to support your opinion.
- O - Restate your **opinion**.

We have fun in the library too!

This term we have had the opportunity to spend our recess time in the library experimenting with the different games and books. Some of the girls are starting to master the game of Twister and have loads of fun getting tangled.

Other Key Learning Areas...

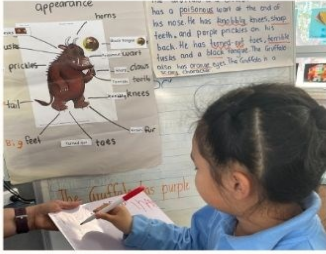

In Science, 2-D have been looking at our environment and how we can look after it and sustain it. We have been looking at the three R's - **Reduce**, **Reuse** and **Recycle**.

In Geography, 2-D have been looking at different places in and around Australia. We have had the opportunity to connect with country and the Aboriginal Culture through art activities linking to land.

TERM 4 IN 2-3C

In English, 2-3C are learning to write character descriptions. As a class, we have been exploring characters from picture books. We are learning to use adjectives to write descriptive sentences about the character's appearance.

In Mathematics, 2-3C have been exploring volume and capacity. We have been investigating capacity through filling different containers with liquids to find which container holds more or less.

In Creative Arts, 2-3C have been creating beautiful artworks with the Soundwaves phoneme of the week. All students are enjoying creating artworks using a variety of materials and techniques.

On sunny days, 2-3C are always excited to visit the garden and water the plants.

4-5SU Newsletter

●●● End of the School Year is near ●●●

the students are practicing adding the dots on the dominoes

Wow term 4 is nearly over and where has the time gone! I would like to thank the parents for all their help over the remote learning. You have been amazing. We have come back to a term of excitement and fun. We are learning a lot of new concepts and have had time to learn about volume and capacity. We are further engaging with narratives and the Three Little Pigs story and its concepts of problems and solutions. The students are enjoying the writing and are showing good writing skills.

4-5 SU are also learning about number talks – where we discuss what each number means and how we can show different representations of each number. We have use dominoes and cards to say what the numbers mean. The students like to use the hands-on activities that are presented as learning opportunities are being built upon. We have had some great fun with our learning and have experienced volume and capacity by using water

Our PBL for this term is about learning our manners both at home and at school and we are learning to use please and thank you as well as ask to use items from others. We are working towards making sure our manners are on display at all times.

4-5R NEWS

TAKE A PEEK!

TERM 4 IN 4-5R

This term, students have returned back to school with great enthusiasm and excitement.

All students have been eager to create a new invention to help society as part of their persuasive writing. They have been showing great creativity, problem solving and feedback.

In science, students have been exploring space and natural environments and have been super excited creating their space and natural environment diorama demonstrating wonderful collaboration.

Lastly, all students enjoy participating in drama with our 4-5SU class. They have been fantastic role models to the students in the support unit, working together to create skits and presenting them to the whole class.

PBL AT SCHOOL

Lansvale East Public School - **Be Responsible Be Respectful Be Resilient**

PBL Focus

Weeks 5 & 6 (Term 4, 2021)

Being Responsible - Social Distancing/Personal Space

For the students to understand and demonstrate the expected behaviour that is required to stay safe at school.

Students of 1-3P demonstrating how to respect the personal space of others and the use of key word signs to say 'thank you'. Well done 1-3P.

Students from 4-6S demonstrating and practising the handball game rules. Amazing team work 4-6S.

PBL Focus

Weeks 7 & 8 (Term 4, 2021)

Being Responsible - Following game rules

For the students to understand and demonstrate the expected behaviour that is required when playing basketball, soccer and handball.

PBL AT SCHOOL

Lansvale East Public School - **Be Responsible Be Respectful Be Resilient**

PBL Focus
Weeks 7 & 8 (Term 4, 2021)

Being Responsible - Following game rules

For the students to understand and demonstrate the expected behaviour that is required when playing basketball, soccer and handball.

Bernard, Chau, Darren and all the students from 2-3C are looking at the game rules to gain a greater understanding of how to play the different outdoor games.

Students from 2D demonstrating the expected behaviour in the canteen.

Our PBL lessons are based on data collected. The number of incidents has decreased due to the implementation of these lessons as indicated in the chart below.

Negative Incidents Recorded (3 week cycle)

PBL Focus
Weeks 9 & 10 (Term 4, 2021)

Being Respectful when going to the Canteen

For the students to understand and demonstrate the expected behaviour that is required when going to the Canteen.

Online Enrolment – Kinder 2022

We are currently enrolling for Kinder 2022.

If your child has a younger sibling that is due to start school in 2022, please enrol them now so that we can ensure that you are provided with all the important dates & necessary information in relation to commencing Kindergarten.

Alternatively, if you live in our catchment zone & have a neighbour whose child is due to commence school in 2022, please encourage them to complete the online enrolment application or contact our school.

To complete an online application, you just need to go to our school's website & click on the enrolment tab at the top of the page or use the link that is attached to this notice.

The Online Enrolment System is designed to provide flexibility for parents to submit an application to Enrol in a NSW Government School online at the time that best suits you.

The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

Children who are Australian citizens, children who live in NSW, New Zealand citizens or permanent residents.

We offer our support and encourage you to complete your application to enrol online.

If, however, you do not feel comfortable completing your application online, a paper copy can be downloaded from the Education Department's [going to a public school site](#).

Presentation Day Assemblies

This year's Presentation Day will be held on Tuesday 14 December onsite at Lansvale East Public School.

We are very much looking forward to celebrating the wonderful achievements of our student this year.

Unfortunately, due to COVID 19 restrictions, we are sadly unable to have parents on site for our assemblies.

We will have a photographer taking photos of our award recipients that we will share with families.

The assemblies will be K-2 including 2-3C and 3-6.

We ask that all students wear full summer school uniform for this day.

Thank you for your understanding, as we navigate these challenging times.

Presentation Day Committee
