From the Principal's Desk

Our last two weeks has had the Executive Team analysing and reflecting on whole school programs to contribute to our External Validation for the school on the 22 June 2021.

The External Validation is an opportunity for schools to discuss their judgements about the school's practice, and the evidence that underpins them, with a panel of peers. An external validation process provides an assurance to the school and to the system that the progress being made aligns with the expectations articulated in the School Excellence Framework. As a school we have been working on this from 2020 and teams were set up to look after certain areas such as; Curriculum, Assessment, Wellbeing, Teaching and Learning, Reporting and Leadership. The staff have worked diligently to build a strong presentation of evidence to support our programs and processes undertaken. I would like to thank all staff and especially the executive team for their commitment in the last two weeks as we prepare to submit and prepare for our panel day on the last week of the term. We look forward to sharing our results with the community in our last newsletter in week 10.

ATTENDANCE MATTERS

It is important that all student attendance is justified. Please remember to explain your child's non attendance at school with a note, email, telephone call, or visit the school and speak to the staff in the front office.

1T's Animal Adventures

Term 2 has been a very busy and eventful time for 1T! They had the opportunity to visit Sydney Zoo and learn about different animals which supported their integrated English and Science unit. 1T closely explored the animal's habitat, appearance, diet, and discovered many interesting facts about them. They transferred their knowledge into planning and writing their personal recounts. The students had the opportunity to publish their work and display it outside of the classroom. 1T are now working hard to plan their information reports on meerkats, elephants, tigers, and koalas. They are looking forward to sharing their completed work with the parents, students, and teachers at Lansvale East Public School.

5/6E- Week 7

Its been a jam-packed term in 5/6E with our First Foot Forward excursion, Featherdale excursion, Eid Celebration, World Book Day, National Sorry Day and Autism Awareness Day.

In class we have been focussing on writing informative texts. First students spent time analysing and researching the information they would need to write their text.

Students are now finishing their 1st draft of their text. We are looking at text structure, complex sentences and writing for the purpose of our audience. Our next step will be editing and we can't wait to share our finished products. Keep up the great work 5/6E writers!

KN's Excursion to Featherdale Wildlife Park

KN visited Featherdale Wildlife Park on Thursday where we saw lots of animals, including many Australian animals like kangaroos, koalas, dingoes, echidnas and the Tasmanian Devil!

Despite the rain, we had so much fun petting the animals and learning a lot about them. Zoo Keeper Lauren, taught us how to safely pat animals and many interesting facts especially about koalas, wallabies and reptiles. We also had up close encounters with kangaroos, quokkas, birds and some farmyard animals.

We will be using our experience at the Wildlife Park to do some informative writing this term. We took many photos and did lots of talking to ensure we were able to describe their features, their habit and what they were eating to add to our informative writing. We look forward to sharing our writing with you in the coming weeks.

First Foot Forward Visit

Our Stage 3 students were excellent LEPS representatives for our visit to Western Sydney University. The day involved meeting ambassadors from different University courses and learning about the fields of Health and Sport, Nursing and Coding and Robotics. Within each field students learnt about possible courses and careers as well as getting hands on with different activities. The lucky students received a certificate to recognise their excellent efforts during the day. The students were also congratulated by the University team for their great behaviour, thoughtful answers and enthusiasm. Well done Stage 3!

Lansvale East Public School - **Be Responsible Be Respectful Be Resilient**

PBL Week 8

(Term 2, 2021)

Expectations in the Office

We are Responsible,
Respectful and Resilient when
we go to the Office.

When I go to the office I need to...

- *ask a teacher first
- *be quiet
- *use my inside voice
- *use my manners
- "excuse me", "please" and "thank you"
- *wait patiently

Students from 2-3C and 4-6S discussed and brainstormed some ideas of how we can be Responsible, Respectful and Resilient when we go to the office.

PBL BULLETIN

LEPS Sports News

During the Zone cross country on the 25th of May, ran with all our hearts and met new friends and old friends from other schools. The other schools that ran had a lot of fast runners. The grounds were so big that we had at least 8 teachers making sure we're running the right direction. Congratulations to Savaira who made it to the SSW Regional Cross Country. Well done to Zaynab, Khaled, Baileon, Laiza, Sam who came top 10 and all the students who participated in the Zone Cross Country.

Best of luck to Savaira in the Sydney South West Cross Country Carnival!

Starting Week 7 Mr Diep will be participating in the Boys and Girls Basketball PSSA competition against other schools. Training for the PSSA basketball teams will be every Wednesday after school from 3PM-3:40PM.

From Mr Diep and the School Leaders: Max, Ester, Lan, Ayda, Jaydon and Vitale
