PBL AWARDS

LEPS Sports News

On the 28 April Lansvale East Public School sent two students Khaled and Dajetikai to represent the Lansdowne Zone PSSA in the Under 11's Rugby League Championship. We would like to congratulate Dajetikai for making it to the Regional SSW Under 11's Rugby League team. He will be representing our Zone in June.

Our first PSSA cricket game was played in week 2 due to wet weather. The cricket team played against Carramar Public School at Carrawood Park. The game ended in a draw. Our players batted and bowled very well. They played with all their heart, showing resilience and sportsmanship on and off the field. During training sessions, students will practice on improving their fielding skills and shot selection while batting.

Walking to school safely

Never too old to be safe

Pedestrians and drivers have a shared responsibility on and near roads and need to look after each other.

Staying safe while out walking:

- plan your walking routes
- avoid busy roads, if possible
- choose the safest place to cross
- walk the extra distance to use a pedestrian crossing, traffic island, pedestrian lights or overhead bridge, if available
- walk on the far right hand side of the road facing oncoming traffic, when there is no footpath.

Before you cross the road:

- unplug your earphones and put away your phone
- avoid crossing between parked cars or at the front or back of buses and large vehicles
- at intersections, check for turning vehicles before you leave the kerb
- look out before you step out.

Using pedestrian crossings

- stop at the kerb until cars have completely stopped, as drivers don't always see you
- try and make eye contact with the driver before you cross, so you know they have seen you
- wait for the walk signal
- don't enter the road if the red 'Don't walk' signal shows
- when safe, promptly walk across the road, continually scanning and listening for oncoming traffic.

Walking with friends

Help keep yourself and your friends safe by:

- focusing on your surroundings
- acting safely on and near roads.

School Community Charter

Collaborative. Respectful. Communication.

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

We treat each other with respect

We prioritise the wellbeing of all students and staff

Unsafe behaviour is not acceptable in our schools

We work together with the school

What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 – 2022.

Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- To be welcomed into our schools to work in partnership to promote student learning.
- Communication from school staff will be timely, polite and informative.
- Professional relationships with school staff are based on transparency, honesty and mutual respect.
- To be treated fairly. Tolerance and understanding are promoted as we respect diversity.

Ensuring respectful learning environments for all members of NSW Public Schools communities.

We create **collaborative** learning environments

We all play **our part**

We work **in partnership** to promote student learning

Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process: education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students

Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.
